

### **AMENDMENT TO THE DRAWINGS**

Figure 2 has been amended to show the "key input unit", which is claimed in claim 3 of the application. The replacement Figure 2 is attached at the end of this document since the drawing page is not numbered.

### **REMARKS**

The amendments made in this response are fully responsive to the requirements set forth in the In re Quayle office action by the Examiner. Therefore, the applicant respectfully requests that the application be passed to issue. If the Examiner has any questions, please contact Mr. Christian Michel or the undersigned at 202-659-9076.
